

MOUNT MOURNE VOLUNTEER FIRE DEPARTMENT

P.O. Box 32
Mount Mourne, NC 28123
(704) 892-1530

Mount Mourne Volunteer Fire Department has utilized the services of FD Training Online since the company's inception. Our department has been fully satisfied with FD Training Online. The services provided have made the day-to-day operations of the fire department seamless. During our recent North Carolina Department of Insurance 9S inspection, we were able to provide each required document instantly. No more digging through file cabinets and stacks of paper. Within seconds we can view any document. The email notification feature is extremely helpful. If any issue is located during a daily check off, FD Training Online emails the responsible member and notifies them of the issue. This speeds up the process of addressing the problem. Another excellent feature is the ability to place online training modules. This allows your members to complete training online, plus it allows you to monitor their progress.

I fully recommend FD Training Online for all your fire department needs. I promise you will not be disappointed.

Roger Hoover
